Attend with a colleague

We encourage participants to attend certification with colleagues that are working on the same project, when possible. If you are attending the same program with one or more colleagues and working on the same project, you can receive a program fee discount.

The first person to register will pay the full program fee. The next participants will receive a CHF 200 excl. VAT discount. You can apply this discount one of two ways:

1. If registering at the same time: The discount will automatically be applied from your total price during checkout.
2. If registering separately: The first person to register will pay the full program fee. The next participants will receive the discount by indicating in the « Message » box that they will work on the same project of first name – last name of the first person.

Please note that this special discount is not available for sessions in Morocco.
